Service provider Conflict of Interest (COI) Certification & Confirmation of Intent to Bid

JFT's Code of Conduct and Ethics Policy requires full and open disclosure when dealing with procurement. JFT employees must avoid any COI or the appearance of a COI, must provide full disclosure of their actions or relationships with prospective service providers, contractors, or consultants and shall not solicit, request, accept, or agree to accept any gift from a service provider or prospective service provider. Service provider agrees to either: 1) disclose any such Cols; or 2) affirm to the best of its knowledge, information, and belief, that no JFT employee, nor any person associated with any JFT employee, is an employee, director, officer, consultant to/of, or has any financial interest, direct or indirect, in the Service provider's organization, or has received or will receive any financial benefit, directly or indirectly, from the award of a contract through this solicitation. For this certification, "associated" persons include but are not limited to a spouse, domestic partner, child, parent, sibling, in-law, nephew, niece, or extended family member. A materially false statement

made in connection with this certification and/or failure to conduct appropriate due diligence in verifying the information that is the subject matter of this certification may result in rendering the service provider non-responsive for this award. The Service Provider is encouraged to disclose any connection to any JFT employee that could create an appearance of conflict of interest, regardless of whether it meets the listed definitions above.

By signing below, Service provider confirms no known COIs exist, or Service provider has disclosed any COIs in writing (please attach disclosure separately); and acknowledges receipt of this RFP, thereby confirming intent to submit a bid in accordance with the RFP requirements.

By Service provider.
