Location	8 Divisions of Bangladesh- Dhaka, Chattogram, Barishal, Khulna, Mymensingh, Rajshahi, Rangpur & Sylhet

#### About Youth Perception Survey

JAAGO Foundation Trust, in collaboration with UNICEF Bangladesh and Generation Unlimited, is going to implement a project called "Skilled Futures: Enhancing the Abilities of Youth in Bangladesh." As a part of this project, The Passport to Earning (P2E) digital learning platform has been promoted as an innovative initiative which aimed at providing individuals with opportunities to enhance their learning and earning potential through various digital learning activities. The Youth perception survey on Passport to Earning (P2E) has been planned to assess the effectiveness and impact of the platform, a perception survey is required to gather feedback from users and stakeholders, as well as to ensure youth participation, youth-based evidence, voices and opinions are considered in the designing phase.

#### Purpose of the Job

- To evaluate the overall user experience and satisfaction with the P2E digital learning platform
- To assess the perceived impact of the platform on users' learning outcomes and earning potential
- To identify any challenges or areas for improvement in the platform's functionality and user engagement

#### Scope of the Job

**Together we can**

Registered with NGO Affairs Bureau Bangladesh, No: 3229, Date: 31 Dec 2019  
 House # 57, Road # 7/B, Block # H, Banani, Dhaka-1213, Bangladesh  
 email: info@jaagotrust.org.bd | web: www.jaagotrust.org.bd | Phone: +88 02 55042786

- Develop a comprehensive survey instrument/data collection tool that covers key aspects of the P2E digital learning platform, including user experience, learning outcomes, and potential usage
- Provide hands-on training to the enumerators, equipping them with the skills needed to collect and gather evidence-based data in their respective areas effectively
- Conduct the perception survey among a representative sample of platform users, instructors, and relevant stakeholders
- Analyze the survey data to identify key trends, insights, and recommendations for improving the platform's effectiveness and impact
- Prepare a detailed report that presents the survey findings, along with actionable recommendations for enhancing the P2E digital learning platform
- Print multiple copies of the report.
